SERVING *the* COMMUNITY

The pickleball courts at St. Michael's by-the-Sea were born out of community, and exist to serve the community!

St. Michael's was first introduced to this budding sport through neighbors at Carlsbad by the Sea (CBTS). In the fall of 2013 residents of CBTS were in search of a place to play their beloved sport. The two communities partnered to resurface and paint two pickleball courts in St. Michael's north parking lot.

Residents played regularly, and parishioners and clergy began to take notice! As St. Michael's began to imagine professional courts in its vacant parcel, leadership learned (through another church partnership) of a grant opportunity through the Carlsbad Charitable Foundation. In the spring of 2015, the Foundation awarded St. Michael's \$23,400 for the establishment of two professional pickleball courts!

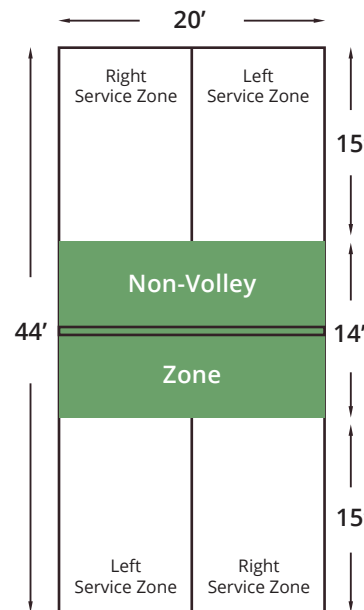

In an effort to make the courts as accessible as possible, the St. Michael's Pickleball Association was formed. Comprised of parishioners, residents of CBTS, and local pickleball enthusiasts from around North County, the mission of the Association is: To provide an opportunity for healthy, wholesome fun to people of all ages through the wonderful sport of pickleball!

PICKLEBALL *is* for EVERYONE!

A social game that appeals to both the novice and competitive player, pickleball is a unique multi-generational sport.

Pickleball is a healthy, low-impact activity that nurtures the building of relationships and community. Pickleball is a racquet sport that combines elements of tennis, badminton, and ping pong.
